Mr. A. Searle Field
Staff Director
Select Committee on Intelligence
House of Representatives
Washington, D.C. 20515

Dear Mr. Field:

In response to a letter from Mr. Rushford, dated 9 October, this is to advise that we have pulled together several machine listings of DDO reporting on economic intelligence from FY75. These reports are quite bulky. They are available for Mr. Rushford's perusal at any time at the Review Staff offices.

Sincerely,
